TO WHOM IT MAY CONCERN

I am very pleased to write a letter of recommendation for Island West Coast Developments (IWCD), who acted as general contractor for our recent Nanaimo Community Animal Centre project.

Throughout this long project, IWCD acted with professionalism, dedication, and outstanding patience as the BC SPCA dealt with a lengthy delay caused by an outside government agency.

The project was completed on time and on budget only because of this professionalism.

IWCD recognized the challenge of working with a non-profit charity, and provided constructive cost-cutting suggestions throughout the project, which had significant budgetary constraints.

The communication between IWCD and the BC SPCA was especially noteworthy, in fact the best of the past four facility projects in which I have been involved.

I would not hesitate to recommend IWCD as a general contractor, and indeed hope and plan to work with them on future BC SPCA projects.
